

WINTER FAIRY DOOR TRAIL – EASTWOOD FARM

Inside special trees at Eastwood Farm
There live some fairies, full of charm,
With painted doors; on each a letter clue
They hope you can find them, they really do!
The fairies have set you a tricky task
We hope you are ready- it's quite an ask
Take all the letters and move them around
Until a special phrase is found!

(Search in the playground and along the top path behind Wyndham Crescent)

Once completed please take your sheet back to Broomhill Coop where you can exchange it for a little treat.

This trail is brought to you by the wonderful people of **Friends of Eastwood Farm**. They are one of our Local Community Fund Partners and are raising money to make the area even more special, specifically using funds for paint for playground railings, picnic tables and a notice board. We are sure you will agree this will make the new playground a really lovely place for everyone in the community when it is built in the new year. Thank you so much **Friends!**

Every time you use your Coop card and buy Coop branded products, 2% of what you spend goes to our Local Community Fund partners. To specifically elect for all your points to go to the Friends, or to obtain a Coop card, please visit <https://membership.coop.co.uk/causes/48715>. Thank you for your support, it means a huge amount.

For an extra activity, why not see how many words you can make from the letters you find and write them on the back of this sheet.
