

# Brislington's Mouse Trail 2023

Can you spot these curious little visitors to our local shops this November - January?

Brislington's own version of a magical Unicorn Trail is back for a 3rd year for exploring our festive high streets.

These enchanting visitors will again be popping up in windows of local shops and cafés in St Anne's, Brislington Village, Broomhill and Sandy Park Road over the festive period.

Locals and shoppers can follow the trail for free, explore the wide choice of local retailers and discover a fun way to support our local shops and high streets this Winter.

Word puzzles in each Shopping area to unscramble. Can you find the letters & unscramble the festive words?
